Attendance

Royal Greenwich expects children's attendance to be no lower than **95%**. In order for us to support you and your child please ensure that you inform either Michelle or the Class Teacher of the reason for any absences. We continue to monitor children's attendance weekly and if we feel your child's attendance is a cause for concern we will contact you.

Language of the Month

We continue to celebrate the wide range of languages in our community. Each month we will focus on one language and display information and vocabulary on the notice board by the main entrance. Punjabi is the language for this month and if anyone would like to help with this please see Gill Crowley.

Jewellery

Parents are reminded that jewellery is not permitted to be worn by children during the school day. Neck chains, earrings, bracelets and other items can easily become caught on clothing and equipment and cause harm to your child or others. We always try to ensure that the best possible safeguarding precautions are taken to keep your child safe at school. Thank you for your continued support in this matter.

Half Term School Fund - Thank you for your contribution to last half terms school fund. As we are now into a new half term there is an envelope attached for your £5 donation. If you have already given your £5 for this half term please ignore this reminder.
Thank you.

Children In Need Friday 13th November

We will be raising money for Children In Need by wearing our Superhero costumes to school. Please see posters around the school for more information. A contribution to the fund raising would be greatly appreciated.

Happy School Bag

This is a reminder that we are having a Happy School Bag collection. We would be grateful if you could fill the bag with the relevant items and help raise money for the nursery.

The bags are being collected on **Wednesday 11th November 2015**.
Please bring your bags to the nursery and leave outside the office on the the 11th November .

Mobile Numbers

Can you please make sure we have your correct mobile number as we now send text messages for important information and reminders. Either see Michelle in the office or ask your child's teacher for a change of contact details form.

Academic Review Day

We will be closed on Thursday 3rd December 2015 so that you can speak to your child's teacher/keyperson about their progress and ask any questions.
