TAPESTRY

Documenting children's learning and development

Each child will have their own learning journal on Tapestry so we can:

- Follow your child's learning and development
- Plan experience to help them to make progress

Through the journal we will share 'observations' and photos with you.

You will also be able to use tapestry to add pictures and videos of the things you do together at home or out and about. These will help us get to know your child better.
