School Fund Contribution

A big thank you to those families who paid the voluntary half termly donation of £5. It is greatly appreciated. It is the start of a new half term and the £5 donation is still much needed. Please bring your contribution to the office in the envelope attached with your child's name on. We really need this money for snacks, cooking and many other extras that we buy for the children. Thank you

Some interesting research recently, found links with children sleeping less and frequent usage of tablets and mobile phones.

PLACES FOR SEPTEMBER

We have spaces for 3 and 4 year olds in September if you have any family or friends who may be interested please encourage them to fill in an application form. These can be found online and in the school office.

If you think your child may be entitled to a 2 year old place please go into the children's centre and enquire.

Please can we remind you to close all gates when arriving and leaving the Nursery. It is your responsibility to help us ensure the safety of the children and to ensure they can't get out of the nursery premises.

Contact Forms

Please make sure that your correct telephone numbers are on your contact form in the school office. If you have changed your numbers you **MUST** let the office know in case we need to contact you if your child becomes ill. We have had a few occasions recently where we haven't been able to contact parents and this can be upsetting for the children.

We've been sending texts to keep parents informed. If you haven't received them could you come to the office and inform Michelle as we need your mobile number to be able to use this service. We have change of contact forms available at the office.

FOR PEOPLE TO COLLECT YOUR CHILD YOU MUST ADD THEM TO THE CONTACT FORM.

SHOES

Many summer sandals are not suitable for school as they are open toed and do not provide sufficient grip. They can be very slippery and unsafe when the children run and use the climbing and balancing equipment. If you are in any doubt about the suitability of your child's footwear for school a member of staff can advise you.
