Primary School Applications

If your child was born between 1st September 2014 and 31st August 2015 then your child maybe moving into reception in a primary school. You are able to apply on line for a place on the Royal Greenwich website. Please see the office if you need any help, or come to the stay and play on Saturday 24th November 2018 10-11.30.

How to help your child at home;

There are lots of things that you can do at home to help your child during the school day. We expect children to put on their own coat and will start to help them to do it up. Your children are growing up now and need to stop using dummies and bottles. Christmas; Eid or Diwali are a great time to stop. Swop them for presents and help them to become more independent. Stopping will also help their speech.

Thank you for the contributions made last term, we are again asking for a £5 contribution. This money buys the snacks for the children each week, it also paid for the story teller who visited us for Heritage week. A very big 'Thank you' to all the parents who came in to help. This was the biggest success we have ever had and it wouldn't have been possible without your involvement. We have started to display photos of all the different people who came and the activities we did.

Meet the teacher

The school is closed on **Friday 16th November** so that you can have a meeting with your child's teacher. You will be able to find out how they are doing and get ideas for things that you can do at home with them. Please make sure that you sign up for a time when the teachers put the timetable out.

Christmas will soon be with us; we plan lots of activities including Christmas parties and a very special visitor.

We are proposing to have Christmas dinner on Wednesday 12th December. If your child does not have lunch Wednesdays but you would like them to have Christmas dinner on the 12th then please let your class know. If you do not want your child to have Christmas dinner we will arrange a 'swap'.
